RE: Squirrel POS Support Program Ending

Hello Everyone,

Please be advised that the Smitty's Canada Head Office Squirrel POS support program will be coming to an end on December 31, 2021.

As a reminder and in recognition of the costs associated with the purchase of a new POS system and setup, Smitty's is offering to all current franchise locations with a minimum of 5 years left on their Franchise Agreement Terms, the following assistance:

- Smitty's Canada will pay directly to Squirrel 50% of the cost of the initial hardware, software, and installation up to a maximum of \$10,000. (plus applicable taxes)
- Smitty's Canada will also pay for the trainer's travel cost during the installation. (Excluding accommodations and incidental expenses of the trainers)
- If your location leaves the Smitty's system for any reason in the 3 years immediately following your installation, you will be required to pay back the amount of the financial assistance to Smitty's Canada on a prorated basis.
- To apply for the Smitty's Squirrel POS Financial Assistance, please contact Crystal Davies at cdavies@smittys.ca. Crystal will contact you to discuss your requirements and walk you through the application process.
- Any location that wishes to participate must have an application submitted and received by Smitty's Canada Head office no later than December 31, 2021.

If you have any questions, please feel free to reach out.

Yours truly,

SMITTY'S CANADA INC.
