RE: Squirrel- Important Notice

Good afternoon,

Squirrel released a notice last night regarding Apache Log4J Vulnerability. This notice will only affect your system if you use the following third parties.

Affected Product	Affected Version and Date
Scientific Gaming SquirrelCMP13 Integration	Earlier than 1.0.2 (Oct 2017)
Scientific Gaming SquirrelCMP15 integration	Earlier than 1.0.17 (July 2019)
Elavon EMV Integration	Earlier than 1.4.8 (2015)
Siriusware Integration	Earlier than 1.2.1 (2015)

If you are running any of these programs with your POS system. Would you please reach out to solutions@squirrelsistemas.com? They will assist you in resolving any issues.

If you do not use these products - please disregard the notice.

If you require any assistance or have any questions. Do not hesitate to reach out.

Warmest regards,

Crystal Davies
Business Intelligence and Operations Manager
