RE: Canada Worker Lockdown Benefit (CWLB)

Hello Everyone,

If your location needs to reduce the hours of work provided to employees, the Canada Worker Lockdown Benefit can be utilized.

The Canada Worker Lockdown Benefit (CWLB) gives temporary income support to employed and self-employed people who cannot work due to a COVID-19 lockdown. The CWLB is only available when a COVID-19 lockdown order is designated for your region. If you are eligible for the CWLB, you can receive \$300 (\$270 after taxes withheld) each one week. You may apply for any weeks your region is eligible between October 24, 2021, and May 7, 2022. The CWLB is administered by the Canada Revenue Agency (CRA).
