RE: **Coffee Equipment Inventory**

Hello Everyone,

We are in the process of updating our inventory for all the coffee beverage equipment and accessories in your restaurant. The process will include a quick analysis of the functionality, condition and cleanliness of the equipment and accessories.

We have authorized your BUNN representative to complete the tasks mentioned above on their next service visit and do the following:

- Allow the technician access to your store's brewing area to perform the survey.
- Take photos and check relevant under-counter cabinets.

This survey will not take very long and there should be no interruption to coffee service.

Please do not hesitate to contact me directly should you have any questions or concerns at jarthurs@smittys.ca or 403-930-8745.

Yours truly,
SMITTY'S CANADA INC.
