RE: Eigen February Relief Credit

---

Hello Everyone,

Eigen has made us aware that there has been a billing error with the COVID-19 relief credit on the February billing. This has been corrected and you will receive the credit on the up-coming March invoices.

Please reach out to our National Representative, Matt Jacuzzi at [matt.jacuzzi@eigendev.com](mailto:matt.jacuzzi@eigendev.com) if you have any questions or concerns.

Your truly,  
SMITTY'S CANADA INC.
