RE: **Canola Oil Pricing**

Hello Everyone,

We have been watching the Canola futures contract pricing as they have been increasing in price because of COVID related pressures. We have decided we are better off not locking into a long-term pricing commitment while the markets remain high.

We will continue to watch the market and make a long-term price commitment when the prices rebound.

Please do not hesitate to contact me directly should you have any questions or concerns at jarthurs@smittys.ca or 403-930-8745.

Yours truly,
SMITTY'S CANADA INC.
