RE: **Retail Syrup**

---

Hello Everyone,

With our COVID slow down, our current batch of Smitty's brand Retail Syrup is approaching its best before date of May 10, 2021.

Rather than disposing of the product we have decided to ship the product to your restaurants to be used in place of the 4 x 4L Smitty's brand Syrup you are currently using in your restaurants. Sysco is bringing the remainder of the stock at Lynch into their OPCOs. When it arrives at your Sysco OPCO your cases will be shipped to you at no charge. This will give you about 5-weeks to use your supply of Smitty's brand Retail Syrup prior to its best before date.

The number of cases being shipped is based on your restaurant's Sysco purchases since January 1, 2021. Please see the attached list of cases being shipped to your restaurant.

Lynch will be producing a fresh batch of Retail Syrup next month. It will return to being stocked in your OPCO in late April or early May.

Thank you for helping!

Please do not hesitate to contact me directly should you have any questions or concerns at [jarthurs@smittys.ca](mailto:jarthurs@smittys.ca) or 403-930-8745.

Yours truly,  
SMITTY'S CANADA INC.
