RE: **Airdrie, Alberta Restaurant Closure**

---

Hello Everyone,

After 15 years with Smitty's Canada, I am sad to announce that Josh and April Shelton have made the decision to depart the brand and close their location in Airdrie, AB. The restaurant served as the premier brunch-spot in the small town located on a main transportation corridor between Calgary and Red Deer. Josh and April took great pride in serving traveling guests, teams, as well as their local families. Their team participated for several years in the Canadian Cancer Society's 'Batting Against Breast Cancer' event, and always made quite an impression serving players their breakfast during the tournament. Josh and April are well known in the Airdrie community because of their hospitality and dedication and will be sorely missed by everyone.

We would like to recognize the support and loyalty of the Airdrie team, and hope you will join us in wishing Josh and April all the best in their future.

If there are any questions, please reach out to me directly.

Yours truly,  
SMITTY'S CANADA INC.
