RE: Burger Day Programming for Squirrel and Delivery Platforms

Hello Everyone,

Please see the following programming for the upcoming Burger Day promotion.

Squirrel Locations: The download will be in your system and before Thursday May 27th.
The item naming will be ADD \$1 Bacon and will be located on the Burger Screen.

There will be another download to your system to remove the button May 31st.

Skip the Dishes: Will be programmed on your platform with “Would you like to Baconify your burger?” under the Classic Burger on Friday May 28th and will be removed on May 29th.

DoorDash: Will be programmed on your platform with “Would you like to Baconify your burger?” under the Classic Burger on Friday May 28th and will be removed on May 29th.

xDine: Will be programmed on your platform with “Would you like to Baconify your burger?” under the Classic Burger on Friday May 28th and will be removed on May 29th.

If you have any questions or concerns. Please reach to cdavies@smittys.ca.

Yours truly,
SMITTY’S CANADA INC.
